ABOUT US

Maithan Public School (MPS) is an initiative of eminent academicians of the society. It has been established in the year 2015. MPS is managed by The Pioneer Social Welfare Trust. It is a CBSE curriculum based Co-Educational English Medium Secondary School. The MPS aims at imparting quality education with special focus on the all round development of every child. The prime objective of the MPS is to develop the overall personality of the children in a healthy and congenial atmosphere. The MPS also aims to have the state of the art infrastructure. Since its inception, the Maithan Public School has come to be known as a center of modern teaching & learning.

LOCATION

MPS is located at Kamalpur, Near Professor Colony, Maithan at a distance of just one km from DVC Main Gate, Maithan.

VISION

Maithan Public School (MPS) has conceived with the vision to emerge as a best Institution in creative & wide knowledge, and providing unique learning experience in Nursery to Secondary education.

MISSION

Accomplish process of learning in rigorous academic environment. Attract and build people in a rewarding, inspiring environment by fostering freedom, empowerment creativity, and innovation. We visualize, nurture, develop, and enable today's children as tomorrow's leaders.

OUR APPROACH

Every child has a unique potential and it is unlimited. Our principles and methods of instruction are designed to help the child realize his / her unique abilities in a systematic manner.

We strive to attain all-round development of every child improving his or her communication skills including verbal and non-verbal gestures in an effective manner. We adopt very sincere and friendly approach to extract latent caliber of children.

CURRICULUM

MPS follows the "Central Board of Secondary Education (CBSE) New Delhi" pattern of education. We provide an effective framework for education through a relevant, broad, balanced, rigorously-taught and monitored curriculum. We place great importance on educating the 'whole child' at their individual level of ability and potential to ensure a happy learner. School today is no longer confined to class room instruction. We believe that school is much more than

academic lessons and qualifications. Many of the most important lessons are those which students learn as part of team games, cross fertilizations of ideas, competitions, and collaborative work.

MPS TEACHERS

Our teachers are committed with responsibility and accountability to create zeal in children. We believe, a teacher who does not 'teach' but helps the children develop their unique potential. Our teachers are fully equipped to facilitate children's development and education.

Constant enhancement of teaching skills of the teachers at MPS guarantees that our teachers are competent to handle the different needs of learners.

TEACHER - STUDENT RATIO

Only 30 students in each class at MPS. Minimum number of student grants plenty of scope for individual attention to the students. Thus the teachers can nurture each student's emotional, behavioural and academic needs.

PRIVATE TUITION

As Teacher-Student Ratio is very low, therefore, Private Tuition is not required at all for MPS students. As a rule Private Tuition is discouraged as they sap the initiative of students. Parents are requested not to approach the school teachers for tuition.

MPS CLASS & CAMPUS

Our infrastructure is well planned and child friendly. We provide spacious, breezy, well-lit, comfortable, and conducive classrooms along with mild & pleasant play areas in school campus. Carefully created open places filled with child friendly equipments, pictures & videos. Every classroom planned to provide children with the best learning experience.

MPS COMPUTER LAB

Beginning from Class **KG** onwards, Computer Education is an integral part of the school curriculum. The students are trained in basic skills and techniques of computer.

MPS UNIQUE ACTIVITIES

A wide range of activities and programs are planned on a regular basis to provide children with experience where they can explore their uniqueness and also supplement their classroom learning. We focus on activities that develop thinking and expression. We try to make children inquisitive by nature through healthy questionnaire and practical demonstration sessions. General Knowledge is an essential part of our curricula.

MPS PLAY HOUSE

Learning by doing makes tiny tots creative and innovative. We have a provision of a 'Play House' for our tiny-tots. We have also introduced clay modelling.

SECURITY OF STUDENTS

Security Guards in the school premises and a well arranged transport facilities for safe passage of each child to school and home ensures maximum safety of our students.

E-MPS

e-MPS is an indigenous interactive platform that brings together all stakeholders- students, teachers, management, parents, guests, and experts through our website and social media. like Facebook. This allows all the stakeholders to share experience, ideas, and opinions that help in child development. Through e-MPS, parents including all stakeholders can watch the child's classroom and outdoor activities.
